John Servedio

Experience

| 08/2010 – 07/2014 | Appia, Inc. | Durham, NC |

Software Engineer
- Led the UI/UX development for multiple App Stores for a number of cell carriers around the globe.
- Designed and implemented the prototype that led directly to the *AppWall*, one of Appia's core products. Responsible for innovative solutions that halved the time-to-glass of this product.
- Designed and responsible for Appia's fraud detection system, improving our product quality and reputation for non-incentivized traffic.

| 11/2009 – 08/2010 | Gold Mobile | Clark, NJ |

Lead Developer
- Developed Web, Mobile, and SMS apps for a variety of industries in PHP, HTML/CSS/Javascript, and SQL
- Worked on and led projects for multi-billion dollar corporations and their agencies
- Responsible as lead developer for projects through entire software engineering lifecycle

| 02/2009 – 10/2009 | Skye Multimedia | Bridgewater, NJ |

Flash Developer
- Lead Developer for Flash Sales Training Game for pharmaceutical company Novo Nordisk
- Lead Developer for a Dynamic Flash Presentation Platform utilizing XML to control text, audio, video, and avatar content; stylization, animation, and timing for pharmaceutical company Abbott

| 11/2005 – 02/2009 | NJNET, LLC | Shrewsbury, NJ |

Web Developer & Linux Server Admin
- Worked hand in hand with graphic designer to create websites for small and medium sized businesses in the Monmouth County area (in HTML/CSS/JavaScript as well as ActionScript 2 & 3)
- Administered two RHEL4 Linux Servers hosting over 150 individual sites
- Worked with open source E-Commerce, CMS, and CRM solutions including Zen Cart, Wordpress, and Joomla
- Developed small database applications to integrate with our websites including a custom Flex Content Management System for our in-house Flash components

Education

| 2002 – 2006 | High Technology High School | Lincroft, NJ |

- Graduated with 3.4 GPA
- Highly selective pre-engineering and technology high school currently ranked 11th public school in the country

John Servedio
